BE FREE

Il sogno della libertà su due ruote nasce nel 1952, quando Gaspare Lombardo realizza la sua prima bicicletta, e continua a crescere, come mission aziendale, nella Cicli Lombardo Spa, anno dopo anno. Sosteniamo un sogno che è sopratutto uno stile di vita ecologico, pratico e libero. _

The dream of freedom on two wheels was born in 1952 when Gaspare Lombardo made his first bicycle, and continues to grow as the company mission of the Cicli Lombardo Spa Cycles year after year. We support a dream that is especially an ecological, practical and free life style. _

BE SAFE

L'innovazione tecnologica e un processo produttivo all'avanguardia sposano la cura per tutti dettagli garantendo l'eccellenza di un prodotto made in Italy. Le nostre biciclette, dopo attenti collaudi e controlli di qualità, rappresentano la migliore testimonianza dell'attenzione costante verso il prodotto e nostri consumatori. _

The ttechnological innovation and an advanced production process join the attention for all details guaranteeing the excellence of a Made in Italy product. Our bikes, after accurate tests and quality controls, are the best evidence of our constant attention towards the product and our customers. _

L'intera produzione rispetta i requisiti qualità previsti dalla normativa europea, adottiamo, inoltre, sistemi di gestione ambientale internazionale IDO 14001 a tutela dell'ambiente.

The whole production complies with the quality requirements established by the European law. Moreover, we adopt the international environmental management system IDO 14001 for the protection of the environment.

Tutte le fasi di assemblaggio sono gestite all'interno dell'Azienda, fino al collaudo finale, garantendo la massima attenzione per ciascun passaggio.

All the assembling phases are handled inside the company, till the final test, guaranteeing the maximum attention for each step.

FARE LA DIFFERENZA
MAKE THE DIFFERENCE

Il nostro avanzato impianto di assemblaggio ruote permette la stabilizzazione dei raggi garantendo ai nostri modelli maggiore durata nel tempo e una miglior equalità.

Our advanced wheels assembling system allows the spokes stabilization guaranteeing to our models a longer duration and a better equalization.

Verniciatura di alto livello, che rispetta l'ambiente abbattendo le emissioni.

High-level painting that respects the environment reducing emissions.

L'attenzione verso i dettagli e la cura artigianale del design rendono le biciclette Lombardo prodotti unici e speciali.

Attention to details and artisan care of design make Lombardo bikes unique and special products.

Ogni veicolo è dotato di un numero di matricola univoco che consente di individuarne ogni passagio: dalla produzione, alla spedizione fino all'assistenza post-vendita.

Each vehicle has a unique serial number that allow a complete tracking: from production to shipment and after-sales service.

Lombardo®

BE BO LD

Il nostro design contemporaneo e la ricerca tecnologica costante ci permettono di ottenere prestazioni di alto livello che rispondono a tutte le esigenze, dall'uso professionale a quello amatoriale. _

Our contemporary design and constant technological research let us achieve an high-level performance that meets all your needs, from professional to amateurs use. _

Lombardo®

BE GOOD

Il rispetto per l'ambiente è il fulcro attraverso cui l'Azienda ruota, non solo come mission ma anche nella pratica: è alimentata, infatti, per la quasi totalità del suo fabbisogno energetico attraverso fonti rinnovabili. Tutto il processo produttivo è monitorato al fine di ridurre al minimo gli impatti ambientali e promuoviamo attivamente uno stile di vita sano, naturale e in armonia con il resto del pianeta. _

Respect for the environment is the fulcrum around which the company revolves, not only as a mission but also in practice: it is powered, indeed, for its almost total energy requirement by renewable sources. All the production process is controlled to minimize the environmental impact and we actively promote a healthy, natural lifestyle in harmony with the rest of the planet. _

Le loro linee sono all'insegna dell'eleganza e dello stile. Attenzione ai dettagli, artigianalità delle finiture, sono piccoli gioielli che non passano mai di moda.

NEVER OUT OF STYLE_

Designed with elegance, style and attention to detail. The craftsmanship of the finishing make these bicycles little gems that never go out of style.

GARANZIA LOMBARDO
WARRANTY LOMBARDO

La Cicli Lombardo S.p.A garantisce i propri prodotti per il periodo di 2 anni, mentre per tutte le parti meccaniche e componenti vale la garanzia della casa produttrice. La garanzia ha inizio dalla data di acquisto, purché tale acquisto sia avvenuto presso un rivenditore autorizzato. In caso di difetti di fabbricazione o imputabili ai materiali impiegati e purché la bicicletta sia sottoposta alle normali condizioni d'uso e di manutenzione periodica, la Cicli Lombardo si impegna a riparare o sostituire le parti in garanzia risultate difettose, mentre saranno a carico del cliente le spese di trasporto.

Cicli Lombardo S.p.A. guarantees its products for a period of 2 years, *while all the other mechanical parts and components are guaranteed by their producing company. The guarantee starts from the date of purchase but only if purchased by an authorized dealer. In case of manufacturing or material defects and provided that bicycles are used under normal conditions of use and periodic maintenance, Cicli Lombardo S.p.A. commits to fix or replace defective parts under guarantee while customer shall bear shipping costs.*
